park bench

OPTIONS

Our PARK BENCHES come in both portable and permanent designs. Our designs come various sizes. While sizes vary all bench legs are solid and durable. Our clients then supply themselves with their chosen lumber to complete the bench.

01

PORTABLE

Portable benches are designed for mobility. These benches are not fastened to the ground.

02

SURFACE MOUNT

Surface mount benches are designed with a flat bottomed pedestal that is anchored to the ground.

03

DIRECT BURIAL

Direct Burial benches are inserted directly into the ground below giving a permanent structure once installed.

04

BOLT ON ARM REST

Direct Burial benches are inserted directly into the ground below giving a permanent structure once installed.
