LT 4×4 - heavy duty

FOUR SIDED PICNIC TABLE

This 4×4 LT table provides an affordable solution for indoor and outdoor seating. With the hot dipped galvanized structure this table is durable and maintenance free.

Construction:

- Frame: 2" - 3/8" sch 40 pipe construction
- Available Finish: Hot dipped galvanized after fabrication (standard)
- Available Planking: Pressure treated, cedar, Alum-A-Plank and/or recycled plastic

Our LT6-Heavy Duty two sided tables are available with frames and planking or frames only. The benefits to purchasing the frame kits alone are within the shipping costs, saving you (\$130.00 to \$300.00) on each table.

LT6 - heavy duty

TWO SIDED PICNIC TABLE

Our picnic table frames and hardware are hot dip galvanized and will last you a lifetime. Tables are available in various sizes.

PICNIC TABLE

AODA

PICNIC TABLE

W.H. Reynolds (Cambridge) Ltd. is pleased to have a variety of accessible product and seating options to fit everyone's needs. Our Accessible picnic tables provide a non-tippable, non-trip, walk through, AODA compliant portable accessible picnic table design. Providing a design that fits many styles of wheel chairs, this allows cities and municipalities to ensure seating is available for everyone.

ANG - light duty

TWO SIDED PICNIC TABLE

Our ANG6-Light Duty two sided picnic tables provide a cost efficient, durable and corrosion resistant metal frame structure. Two purchasing options are available: Frame kit structure (customer supplies planking material), or purchase of the complete picnic table with planking.
